MORE THAN JUST A GREAT T-SHIRT

CONVENIENT BUYERS GUIDE

When looking for screen printed and embroidered sportswear, there are literally thousands of styles from which to choose. To make your job easier, we've assembled this Buyer's Guide featuring our most popular items. Everything listed can either be screen printed or embroidered with your logo or design. Once you narrow down your choices, give us a call and we'll help fine-tune your selection. Of course, if you don't see something you want, we'll help you find it.

Why do business with Greek Corner Screen Printing & Embroidery?

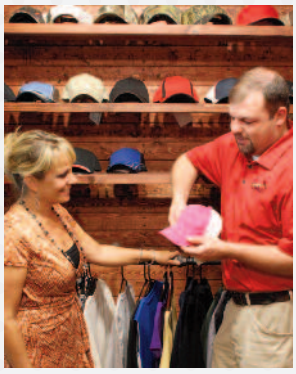
At the Greek Corner, we don't just create great t-shirts, we create relationships. Our business is more about people than t-shirts. After working with our friendly staff, you'll experience how easy it is to work with us. You'll see why we are "more than just a great t-shirt."

YOUR INVALUABLE PARTNER

Planning an event is stressful. Our customers trust us as an invaluable partner in their event planning. We'll work with you to select your shirt colors, create your design, and set your delivery schedule. Once you've placed your order, you can cross "get t-shirts" off your "to-do" list. No need to worry about t-shirts any longer. You'll agree with Dr. Nate Bock of First Baptist Church, Maryville when he said, *"They always meet my deadline and have proven to be an invaluable partner in every event I plan."*

A PLEASANT SHOPPING EXPERIENCE

Whether you talk to us on the phone, correspond via email, or visit our new showroom, you will enjoy working with our friendly, helpful staff. Your calls and emails will be returned promptly.



For some, it's the first time they've ordered decorated sportswear. Others have ordered before and know what to expect. Regardless of your experience ordering screen printing and embroidery, our experienced staff will help you through the entire process. From the selection of the perfect garment to working on your design, we help create the garment that best meets your expectations and budget. We're confident you'll have the same experience as Chris Castillo when he told us, *"We wanted to say thanks for a very pleasant experience! You guys and gals rock!"*

DESIGNS WITH IMPACT

Nothing we could write demonstrates how we create designs with impact better than the words witten by Marvin Manning, Band Director at Stockton High School. He wrote, *"The art staff at Greek Corner were very helpful every step of the way and had a big impact in bringing our design to life. Fast, friendly, knowledgeable people providing an excellent product!"*

ON-TIME DELIVERY

If the shirts you order aren't finished on-time for your special event, you won't be able to hide the fact that no one got their shirts. Even if it isn't your fault, you'll still get the blame. Getting your t-shirts a day late just won't cut it. Period. Since we bought the Greek Corner January 1, 2009, we have never missed a hard deadline. You can count on us. We've got your back.

To get started with your order, just give us a call at 417.865.8011.

Screen Printing and Embroidery

What is your minimum order?
For screen printed apparel, we have a minimum order of 12 shirts. Embroidered sportswear does not require a minimum number of garments. Of course, quantity discounts apply based on the number of pieces you order.

Can you help me with my shirt design?
Absolutely. Our talented artist will work with you to come up with a design you will love. As always, there's never an art charge when you order t-shirts from the Greek Corner.

How soon can I get my shirts?
Depending upon the current production schedule, your order should be complete in two weeks. However, we will attempt accommodate your delivery date whenever possible.

How many colors can we print?
At this time, you can have up to six colors printed per location. Minimums apply.

Do your t-shirts shrink?
The most popular t-shirt we use is pre-shrunk. We've had very few complaints about shrinkage when using that particular brand.
